

I am writing to register my concern over Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Instead, Sinclair has chosen to ignore the law and use its corporate power to spread propaganda.

I respectfully urge the FCC to take all appropriate action to compel Sinclair to obey the law and respect the public trust.

Thank you very much for your time and attention.
